PROFILE

Compositor with diverse skills set in keying, clean up and CG integration while implementing current AI workflows.

WORK EXPERIENCE

- Nuke Compositor - Studio X — Fall 2025 · Present
  Academy of Art University, San Francisco, CA
  - **Figaro:** Performed matchmoving for a manhole cover and integrated CG smoke to obscure people.
  - **Hold on:** Executed camera tracking and color correction for smoke integration.
  - **La Cazadora:** Replaced bus mirror reflections using camera tracking and compositing.
  - Collaborated in a team-based VFX pipeline with shot reviews, versioning, and deadlines.
- Freelance Video Editor & Motion Designer — 2026
  Independent Projects · Seoul, South Korea
  - Edited a 90-second LG corporate promotional video and a 30-second short-form video featuring international visitors, integrating photos, footage, and English subtitles.

    Produced a 3-minute pre-wedding video and a wedding song video, incorporating synchronized lyrics, smooth transitions, and AI-animated childhood and family photographs.

    Filmed and edited a 13-minute documentary covering a four-day mission trip to Honduras, incorporating interviews, bilingual subtitles, and audio mixing using After Effects.
- Graphic Designer - Momonine — 2022
  Independent Online Shopping Mall, Seoul
  - Designed the company's primary logo using Adobe Photoshop and Illustrator, developing multiple color variations for review.
  - Photographed women's bags, wallets, and jackets and prepared product images for blog posts.
  - Collaborated directly with the business owner, incorporating feedback and revisions to finalize the brand's visual identity.
- Freelance Music Tracking Assistant - SBS — 2020
  Korean Broadcasting Company, Seoul
  - Analyzed broadcast music trends and audience responses.
